Subject: FW: USACE Response to EPA on Passaic River Navigation
Letter to EPA on Lower Passaic Navigation Channel 06 Feb 2014 (2).pdf

Colleagues,

We had been asked to seek from the Corps of Engineers a current statement on its views regarding the Authorized Navigation Channel (which runs to River Mile 15) and, specifically, the lower 2.2 miles of the river. The Corps' position is set out in the attached letter.
